

Financing of import of investments and intermediate goods from the People's Republic of China (PRC)

Loans are granted to legal entities and individual entrepreneurs for a term up to 360 days to purchase investment and intermediate goods¹ from PRC.

To be eligible for a loan, legal entities and individual entrepreneurs must have a signed agreement for supply of investment and intermediary goods from PRC, and the currency specified in such agreements should be Chinese Yuan.

Loan interest rate: Shanghai Interbank Offered Rate (SHIBOR) for the corresponding loan term, increased by max. 4 percentage points.

Indicative interest rate on loan in Chinese Yuan is 7-9% per annum.

¹ Terms “intermediate goods” and “investment goods” are used in accordance with the Resolution of the National Statistical Committee of the Republic of Belarus dd. 07.05.2013 № 27 “On approval of the technique of formation of statistics on foreign trade of goods made in the Republic of Belarus”.
