

## **Loans for small and medium enterprises within the Program of financial support developed by JSC “Development Bank of the Republic of Belarus”**

JSC Belagroprombank is a partner bank of JSC “Development Bank of the Republic of Belarus” within the Program of financial support of small and medium enterprises (SME). The objective of the Program is to ensure and enlarge access to affordable credit resources for SMEs operating in the manufacturing and service sectors, as well as provide them with the opportunity to conduct financial lease transactions for investment projects at any stage of their business development.

Individual entrepreneurs, micro-enterprises, small enterprises and medium enterprises are eligible to participate in the Program for SME support provided that they meet the criteria set by JSC “Development Bank of the Republic of Belarus”. The information is available at the web-site of JSC “Development Bank of the Republic of Belarus” ([www.brrb.by](http://www.brrb.by)), section “Activities”, subsections “SME support”, “To SMEs”.

Interest rate: refinancing rate of the Republic of Belarus, increased by 4,5 percentage points.

Maximum term of financing: up to 5 years.
